

Ex-CSA Student, Community Leader and Teacher by Profession

Surrounded by her enthusiastic students from Luthayi High School in front of the CSA stand at the UKZN Open Day on 17 May 2008 was **Ms. Vincentia Kunene**, a **2001 ex-CSA student**. In 2003 she was the winner of the Campus Woman Group Bursary. She graduated with a B.Sc. degree majoring in Chemistry in 2005.

In 2006 she worked at Capital Bank as a Sales Consultant before being employed as a teacher. She started teaching at the beginning of 2007 and is currently teaching Mathematics and Physical Science in Grade 11 through 12 at Luthayi High school in Hammersdale. She is also a member of the Community Science Project Committee.

While pursuing her degree, she was involved in community projects and currently serves in a cooperative group in the Agriculture sector (small scale farming). The Entrepreneurial and Leadership skills she gained at UKZN have proved to be very useful.
